

Chapter 4: Sexual Health

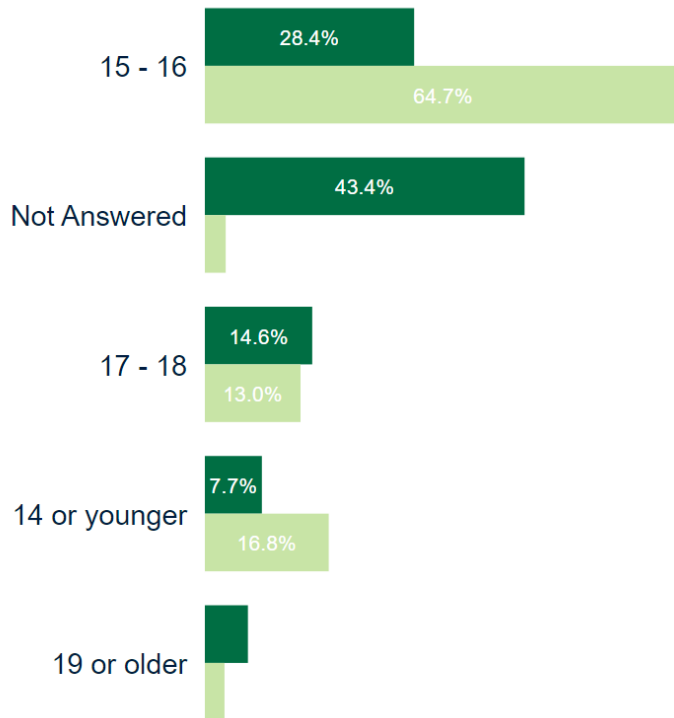

Sexual Health

Overview

The Sexual Health questions were only asked of Secondary pupils. The questions concerned pupils' perceptions of sex, sexual experience and sexual harassment experience.

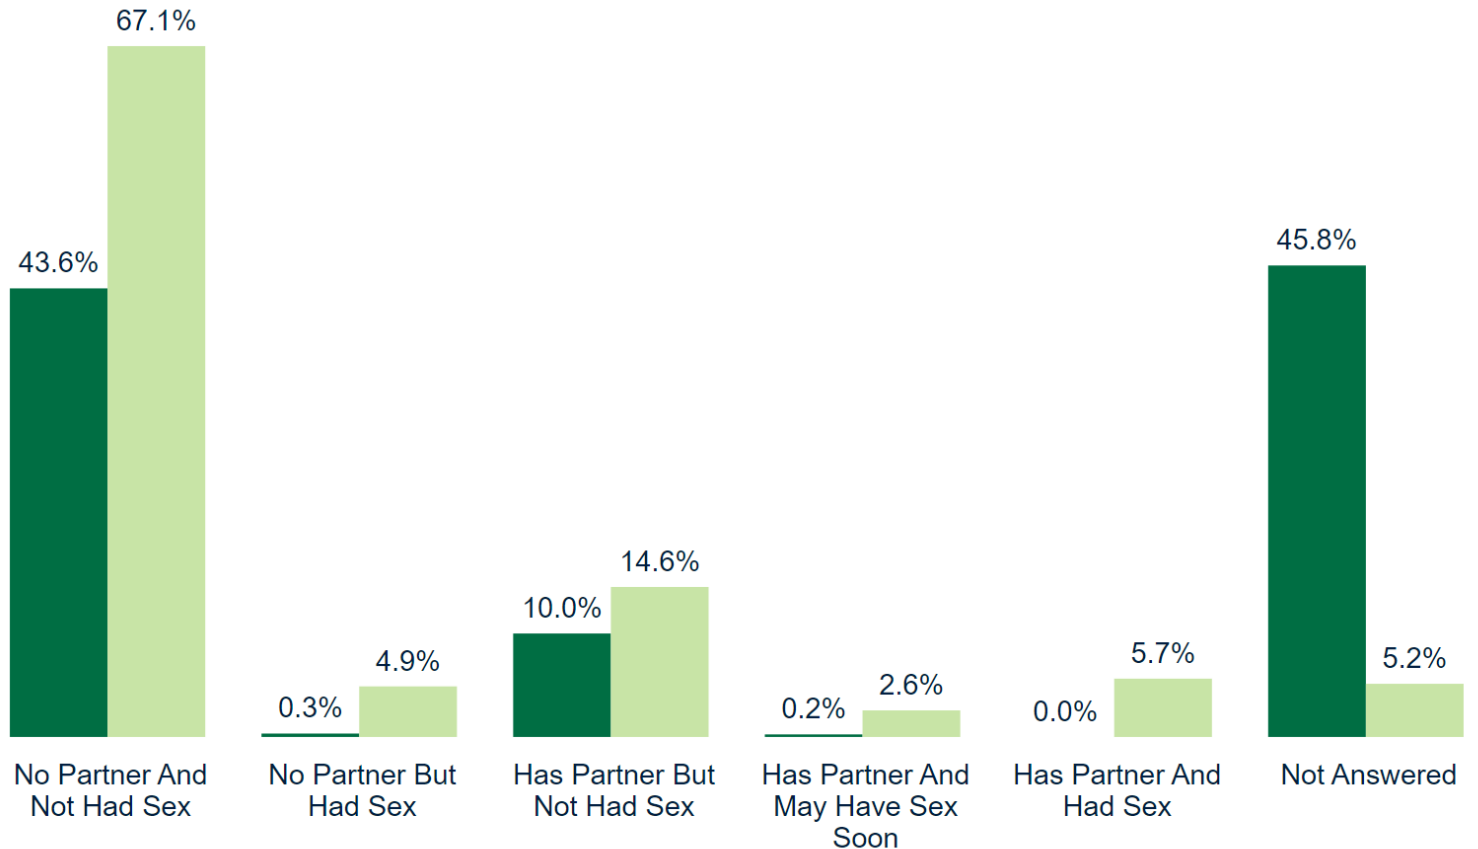

In The UK, What Age Do You Think The Majority Of Young People Have Sex For The First Time?

● Year 8 ● Year 10

Sexual Experience

● Year 8 ● Year 10

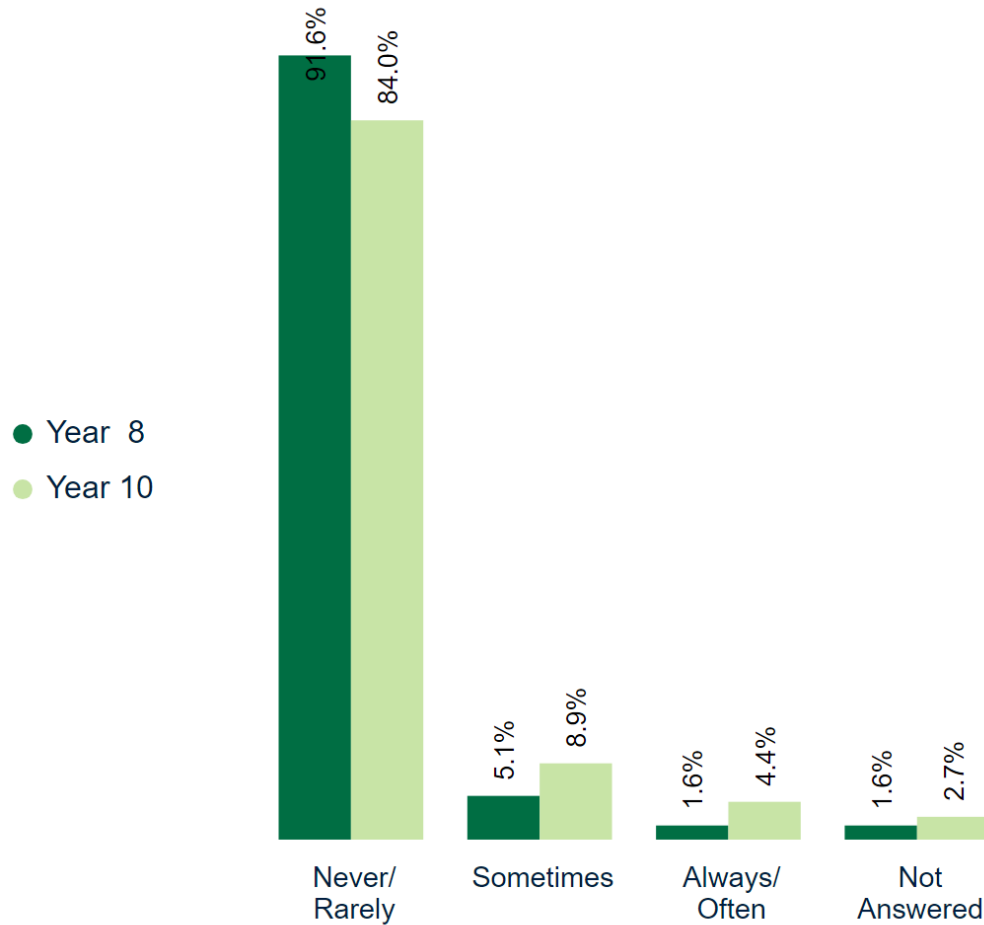

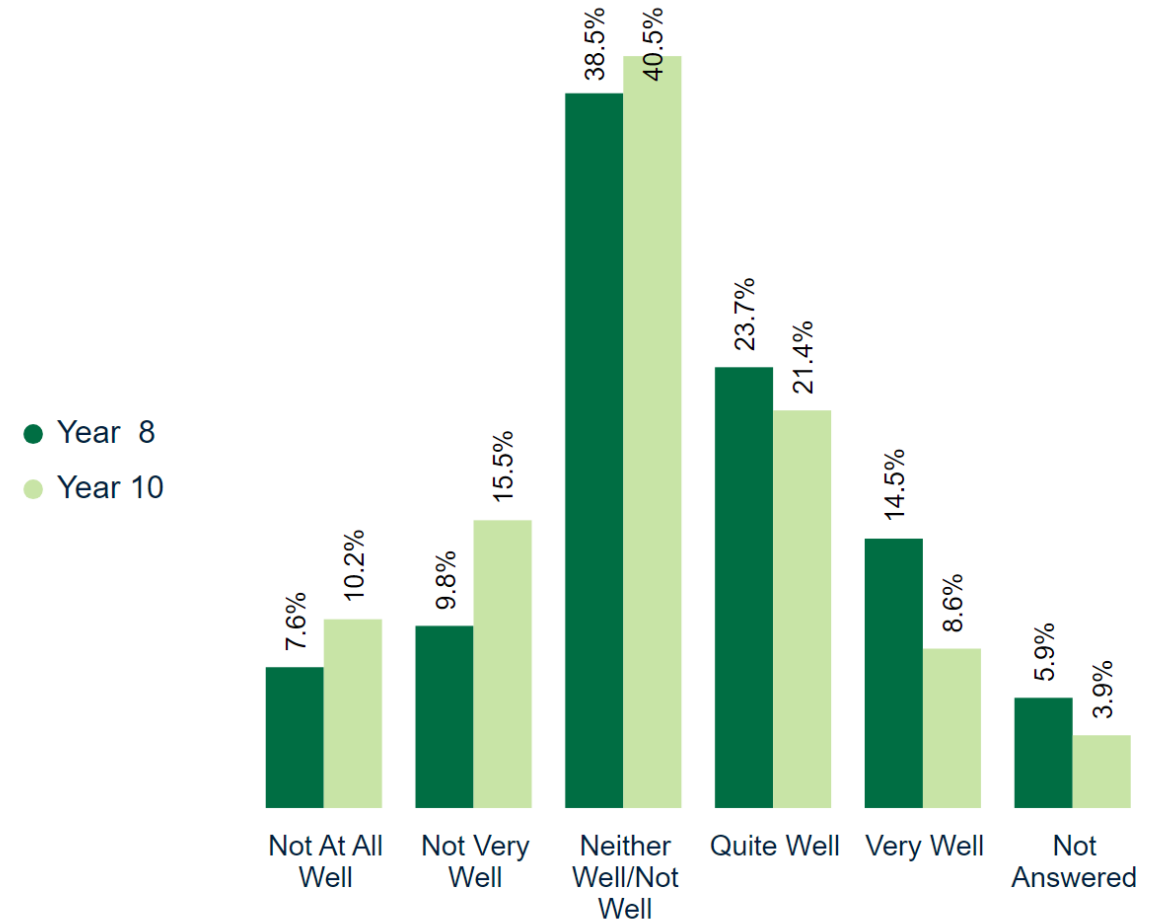

Sexual Health

Sexual Harassment

How Often Have You Experienced Sexual Harassment At School?

How Well Do You Feel Your School Deals With Sexual Harassment That Has Been Experienced At School/College?

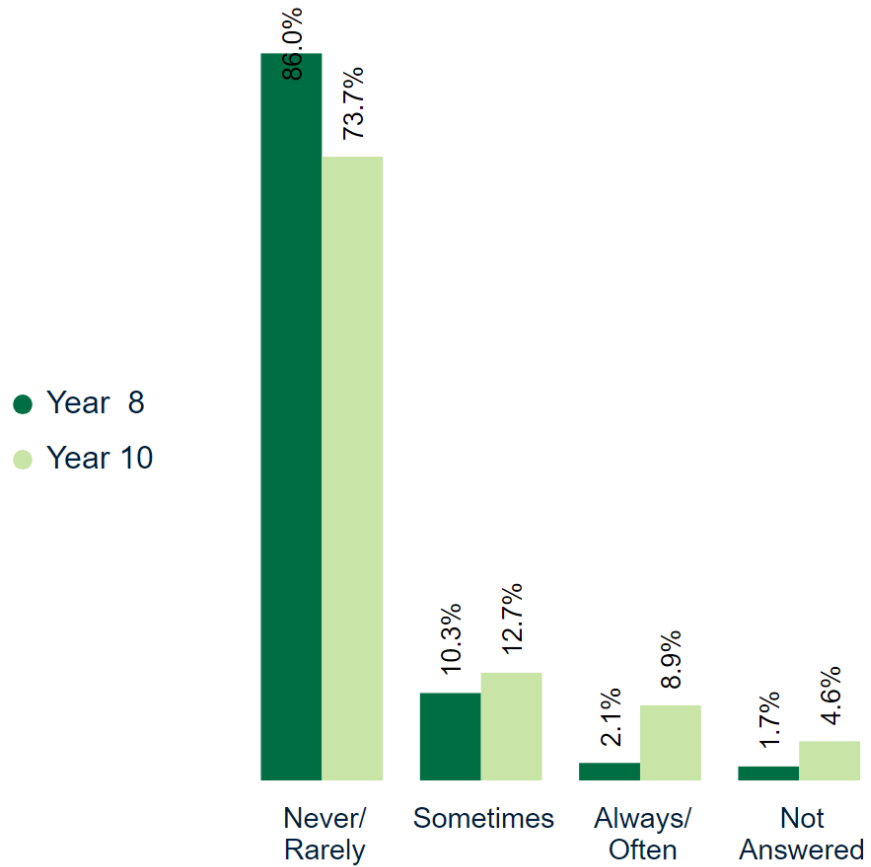

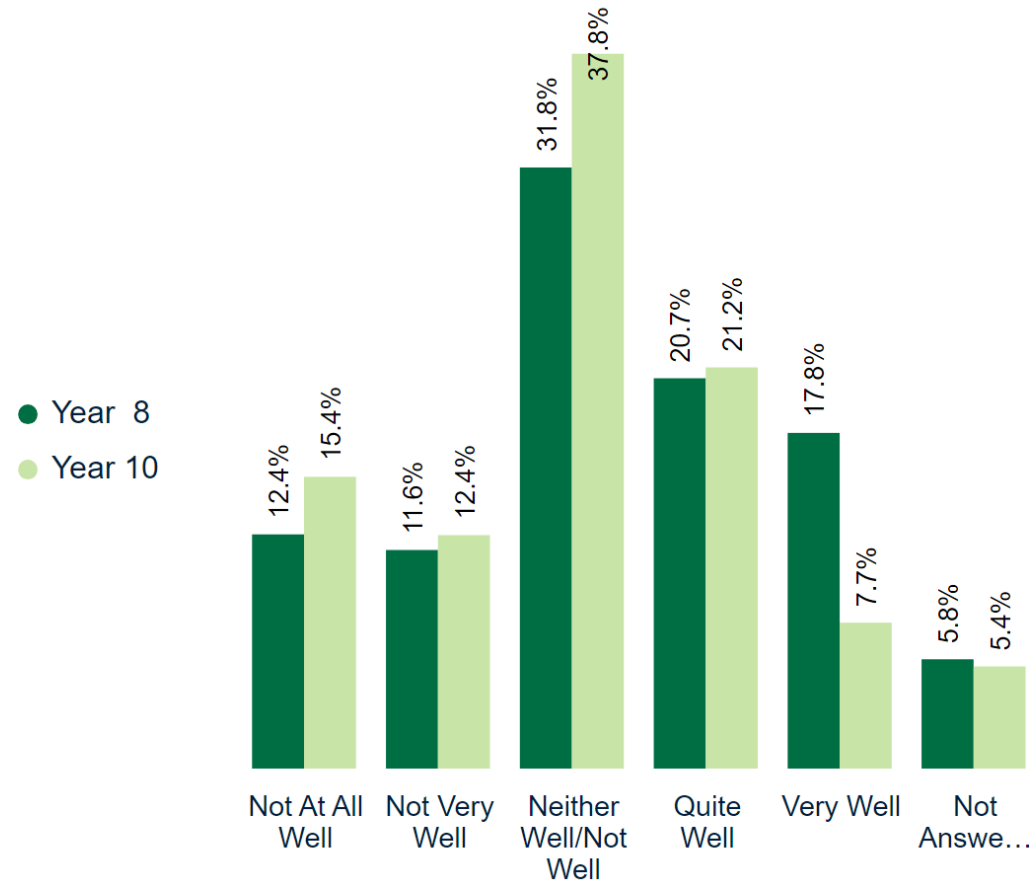

Sexual Health

Sexual Harassment - Pupils Who Identify As Having A Disability

How Often Have You Experienced Sexual Harassment At School?

How Well Do You Feel Your School Deals With Sexual Harassment That Has Been Experienced At School?

Pupils who identify as having a disability may be more vulnerable. Responses shown on this page are from pupils who said they have a disability in the Demographics section of the survey.
